

The Pine Needle

a service of the Lake Pine Colony Club

2017
vol. 59, issue 2
April, May & June

President's Message...

Greetings Members;

As summer quickly approaches, we are diligently preparing for another season of sun and fun! We'll be adding some new metal seating at the beaches and freshening our beach boxes with paint, in addition to building new boat racks for East Beach to address the long waiting list from years' past.

Our first volunteer event, held in March, was an enjoyable evening with new and veteran volunteers delighting in not having to do a thing but eat, drink and be merry! Spring was celebrated with an egg-citing Easter Egg Hunt and we've already started planning for a fun-filled **Lake Pine Days** in September.

Wishing you a safe and healthy summer!

Best,
Laura

Beautify with Plants!

Lake Pine residents know the struggle of planting a beautiful garden that will not become a dinner buffet for our resident deer population! Below are some zone friendly plants that are generally deer & bunny resistant:

Full Sun to Part Sun Flourishers :

Bee Balm, Catmint, Golden Marguerite, Sea Holly

Shade Lovers:

Brunnera, Jack-in-the-Pulpit, Japanese Painted Fern, Lily of the Valley, Lungwort, Sweet Woodruff

Share Your Garden Tips & Ideas!

Tell us about your garden, tips or tricks you've learned as a Lake Pine resident that you can share with neighbors.

Email: pineneedle@lakepinecolonyclub.com

School's Out PARTY

Join us at Main Beach after school to celebrate the end of the school year! Please bring a snack to share. **June 20th**

THE MARKET WAITS FOR NO ONE

The Spring Market is upon us... and we are anticipating a good one! Now may be time to sort out your options as to WHO has the experience and contacts that you need to work with. Make sure to check the reputation and professional background of the agent you entrust with your valuable asset.

Selling is complicated. Your agent must know how to POSITION your home in the market to attract a buyer, AGGRESSIVELY MARKET your home, NEGOTIATE the best deal for *you* and be skilled enough to NAVIGATE through all of the pitfalls between Agreement and Settlement.

I have a 25 year track record of just that.
 Let's schedule a personal, no-obligation consultation.

2017 Lake Pine Swimming Program

Session 1 - July 10-14

Session 2 – July 17-21

Swimming lessons at the Main Beach **on Taunton Blvd.** - a Lake Pine tradition for over 40 years - directed by Pat Yurcho, long time resident, retired educator, and Water Safety Instructor.

Course descriptions are guides and lessons are taught to the skill level of students in each class

Session 1 July 10, 11, 12, 13 ,(raindate - 14th) / Session 2 July 17, 18, 19, 20 (raindate-21st)

COST \$20 per session

10:10:30 AM– Stroke refinement/improvement- for students who know most swimming strokes but need a review. They can jump or dive off board/dock and can swim without aids, can do front crawl w/coordinated breathing as well as several backstrokes, breast stroke/side stroke and does not rely on doggie paddling. They are very comfortable in deep water. This course reviews and refines skills as well as develops more efficient strokes for better endurance in the water. (usually ages 8-12)

10:45-11:15 AM – Skill and stroke readiness/practice- for students who float, submerge, swim underwater but are still learning to coordinate the front and back strokes and rhythmic breathing. Many students jump and dive into deep water but tend to doggie paddle or swim with face out of the water- some stroke knowledge/ability and ready to learn/improve for better water efficiency and safety. (approx. ages 6-8).

11:30-12 noon - Water exploration/primary beginner skills – for students who enjoy the water and will submerge and/or put their face in, are comfortable with lifting feet and swimming on top or under the water but hesitate to jump and swim into deep water without aids or close parent contact. (approx. ages 5-6)

12:10-12:40 pm – Water exploration/readiness- for young children with limited school/ swim lesson experience. They may be reluctant to put face in the water and submerge or love dunking and submerging but have limited attention span and ability to coordinate strokes (ages 4 -5)

(note- ability and coordination of strokes is developmental - age and athletic ability often dictates the speed of learning and mastering strokes / water skills.) All children benefit from review, repetition, practice, encouragement, fun with peers, and playing in the water!

Register: fill out form below and mail, email, text or drop off to Pat Yurcho, 212 E. Lake Blvd. Keep top portion for your records. Confirmations will be made by email with reminders put in mailbox.

Questions: call/text/email Pat at 609-410-1921 (Cell) email Pat: pyurcho@yahoo.com

Cut on line and submit bottom registration - check will hold spot in class and is returned if child is unable to participate due to illness, vacation changes, etc.

Lake Pine Easter Egg Hunt

The LPCC Egg Hunt 2017 was a success! Hundreds of eggs filled our Lake Pine field as boys and girls delighted in the fun of the hunt! Special thanks goes to Wendy Campbell, Carrie Beckwith, Jeff Boldizar, Jeremy Smith, and Ben & Stella Clark for volunteering for this event.

Breakfast with Santa

Fun was had by all at Lake Pine's annual Breakfast with Santa. Boys and girls of all ages enjoyed a special visit from Mr. & Mrs. Claus and even one of their elves! A big thank you goes out to all who volunteered for this event and for the community's generous donations to toys for tots.

See you again next year!
