President's Message...

Greetings members:

Well the holidays are officially here and the hustle and bustle of life and everything that goes along with it is in full swing. We value our volunteers who've made our Halloween Party a spook-tacular event! Without them, our upcoming Breakfast with Santa celebration wouldn't be as successful and well-attended every year - and this year is no different. Many thanks to our member volunteers who go above and beyond to make our LPCC events a coveted tradition for our community. All upcoming holiday event info is featured on the following pages.

Our LPCC Board has been busy too! As we upgrade our beaches and recreational facility, we've added a surveillance system to prevent future vandalism and add a layer of safety and security within our community. We are also researching the benefits and/or consequences to adding lifeguards (next year) to our beaches that will allow the diving board and water slides to remain. Our county health department closed them on main and east beaches in the beginning of the summer season until we make a decision by the end of the year. We will be advising on when a member meeting is scheduled (FY2019) to discuss our findings.

We continue to welcome new homeowners and members to our community. Our membership continues to grow and so is our Board's commitment to maintaining a safe and healthy community for all to enjoy.

Wishing you a happy and health holiday!

~ Laura
